Skilled programmer and complex problem-solver experienced in the full project life cycle from design to implementation to integration and documenting the SDLC (SRS, SDS). Skilled at technical leadership, communication and presentations. Effective at supporting team needs with high-quality code, attention to detail and collaboration skills.

Skills

- Intermediate knowledge of C and C++
- Testing and debugging
- Programming documentation
- Data management
- Database design
- Java/C/C++
- PHP
- SQL development
- Relational database
- HTML/CSS/JavaScript

Experience

06/2019 – 09/2019

Cashier / Six Flags Fiesta Texas, San Antonio TX

- Restocked, arranged and organized merchandise in front lanes to drive product sales.
- Helped customers complete purchases, locate items and join reward programs to promote loyalty, satisfaction and sales numbers.
- Operated cash register for cash and credit card transactions with 95% accuracy.

05/2018 – 09/2018

Ride Attendant / Broadway Grand Prix, Myrtle Beach SC

- Oversaw maintenance and operation of Go-Karts, equipment, maintaining safety, cleanliness and operational efficiency.
- Maximized customer service and satisfactions by providing directions to visitors regarding requested locations, events and landmarks.
- Assisted customers in entering and exiting rides, providing balance support and general directions

05/2014 – 09/2014, 05/2015 – 09/2015, 05/2016 – 09/2016

Stock Keeper / Tank-Weld Ltd, Kingston JM

- Assist in machine operations
- Quantify lumber and steel
- Clean up work environment

Education

05/2020

Bsc. Computer Science / The University of The West Indies, Mona, Kingston JM

- I have already completed courses such as **Analysis of Algorithms, Database Management Systems, Software Engineering** and **Object-Oriented Programming** just to name a few.
- I have worked on school projects that involved the use of relational databases such as **PostgreSQL** and **MySQL**.

Activities

In my spare time I like to work on personal projects or just practice coding on HackerRank. I also like to read and stay current with the current and emerging trends within the industry.
